

Tailored for business.
Scalable, 15.4-inch diagonal display, Intel processors

HP recommends Windows Vista® Business.

HP Compaq 6730b Notebook PC

The HP Compaq 6730b Notebook PC offers cost-effective business computing without compromising on performance or connectivity. This newly designed notebook works just as hard as you do and includes features such as the latest wireless technologies, enhanced security, and compatibility with a range of HP Universal Accessories.

Technology in tune with your needs

Experience new levels of system responsiveness when running multiple applications and smarter battery performance designed to help extend mobility with Intel® Core™2 Duo Processors. Experience video, still-image capture, web conferencing, or video-enhanced instant messaging with no additional hardware to buy or carry. The optional integrated webcam enables both video and still-image capture so you can add photos and video clips to presentations, documents and e-mail. HP SoftPaq Download Manager can significantly reduce the amount of time it takes to locate and download updates. SoftPaqs can be downloaded (www.hp.com/go/easydeploy) in as few as three easy steps from a single user interface after initial setup.

Enjoy wireless in more places

Whether you're across the street or across the country, HP Mobile Broadband, Wi-Fi CERTIFIED™ WLAN and Bluetooth® technologies allow you to conveniently stay connected in more places.

HP Professional Innovations help you focus on your business

Built to protect. An array of multi-layered, customizable security solutions help defend your network, your applications, and your data.

Built to simplify. Boost your productivity while maximizing simplicity with features such as HP QuickLook 2, which allows you to quickly view your e-mail, calendar, contacts, and tasks information with one touch of a button.

Built to last. Reliable features such as HP DuraFinish, magnesium alloy support structure, and HP 3D DriveGuard help give you a reliable notebook that can go the distance.
