In case of a bachelor concluded with the highest grade and the mention "summa cum laude", 2 additional points will be awarded.
2. Further language proficiency: you will receive 5 points if you demonstrate at least a C1 level in the official language of instruction (English).
3. Prior knowledge  
Up to a maximum of 5 additional points may be awarded to those applicants who have successfully attended one or more courses included in the curriculum of the Master in Data Analytics for Economics and Management.
  - 3 or more exams passed with an average mark >26: 5 points
  - 2 exams passed with an average mark >26: 4 points

Minimum total points required to be admitted to the ranking: 55 points

In the event of equal scores, priority will be given to the applicant who has obtained the highest score for the first criterion. If scores are still equal, the younger applicant will have priority.

Only complete applications will be considered. The absence of one or more of the documents required for the calculation of the average marks will result in exclusion.

If you still need to graduate and/or certify the remaining exams you must sit, you are provisionally admitted in the ranking lists.

Courses included in the programme of the Master in Data Analytics for Economics and Management are not valid for the acquisition of the 30 CPs required for admission.

Courses that have been taken into consideration in order to achieve the 30 CPs necessary to gain admission to the master programme cannot be recognised for a possible career abbreviation.

### **CONFIRMATION OF STUDY PLACE AND ENROLMENT**

If you have been admitted through the ranking list, you must:

- 1) select the degree course in the Application portal and pay with one of the indicated payment methods to confirm the study place within 18 October 2024, 12 (midday). The first instalment of tuition fees amounts to € 773.00.
- 2) until 18 October 2024, 12 (midday), enrol online in the Application portal.

If you do not respect the deadlines, you will automatically lose your place which will be offered to the subsequent applicant in the ranking list.

If by paying the 1<sup>st</sup> instalment you have confirmed the study place, there will be no refund of the tuition fees.

According to national regulations, simultaneous enrolment in a maximum of 2 programmes is possible (however, the two programmes must not belong to the same class, e.g., LM-18/LM-18 and must differ for at least 2/3 of the course activities).

If you have been admitted to more than one study programme, you can confirm your place for a maximum of 2 programmes by paying the designated fee twice.

If you do not have the required academic qualification, you will be given a conditional offer for a study place, and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your place which will be offered to the subsequent applicant in the ranking list.

Advice: If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request and, only if there are study places still available, you can enrol by 13 December 2024.

If you have been admitted in the ranking list, but you do not possess a valid admission qualification, you can be excluded with Rector's decree even after enrolment.

**Please note** that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment.
