

## RANKING LIST

**Admission to the PhD programme in  
Education and Social Sciences  
(40<sup>th</sup> cycle)  
Academic year 2024/25  
Brixen-Bressanone, 06.08.2024**

### CONFIRMATION OF STUDY PLACE

If you have been admitted in this ranking list, you must **select the PhD programme in the Application portal at <https://aws.unibz.it/exup/> and pay the tuition fees (€ 189)** with one of the indicated methods **within this deadline:**

- **applicants with grant:** starting from 5 August until 20 August 2024 (midday);
- **applicants without grant:** starting from 21 August until 30 August 2024 (midday).

If you do not respect the deadline, you will automatically lose your study place.

If, by paying the instalment you have confirmed the study place, there will be no refund of the tuition fees unless you are a non-EU applicant living abroad and you do not receive the documents necessary for enrolment from the Italian authorities in your country.

If you do not have the required academic qualification, you will be given a conditional offer for a study place, and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your study place, which will be offered to the subsequent applicant in the ranking list.

Please note that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment.

### ENROLMENT

**Starting from 21 August until 31 October 2024, 12:00 midday (CET)** after having confirmed the study place, you must **enrol online** in the Application portal.

If you do not respect the enrolment deadline, you will automatically lose your study place.

**If you have gained your qualification abroad, you must upload in the Application Portal (if not uploaded upon application):**

- the diploma of your qualification;
- the official translation of your diploma into Italian (translation is not necessary if the certificates have been issued in German or English);

- the Diploma supplement, where it must be indicated:
  - that you have achieved at least 300 credit points (ECTS) and
  - that the study title gives access to a PhD programme.

For foreign qualifications that do not require a diploma supplement, the upload of this document may be omitted.

If you have gained your qualification abroad in one of the Countries that are signatory to the Lisbon Convention you must also upload:

- The **Statement of Correspondence** of your qualification, to be downloaded from the ARDI - Automatic Recognition Database – Italy

If you have gained your qualification abroad in a country that is not a signatory to the Lisbon Convention, you must also upload:

- the **Statement of Comparability and Verification** of your qualification, issued by the Italian Information Centre on Academic Mobility and Equivalence (CIMEA).

In the case of a university degree obtained abroad and recognised in Italy, it is sufficient to upload a copy of the recognition decree.

If the above-mentioned documents are not uploaded by the time of enrolment, you will be enrolled with reservations. The documents must in any case be submitted by 15 January 2025 under penalty of exclusion from the programme.

unibz performs the necessary checks of your foreign qualification and in case of doubt reserves the right to request additional documents to supplement those already submitted. Should it become apparent after these checks that the qualification does not meet the requirements of this call for applications and therefore enrolment in the PhD programme is not possible, the applicant will be excluded.

### **If you are a non-EU citizen resident abroad:**

Non-EU citizens living abroad will also have to apply on the University portal of the Italian Ministry of Universities and Research. In University you can apply for one study programme only. Should you not follow this procedure, your direct online application to unibz will be declared null and void.

Please note that preliminary admission by unibz does not guarantee obtaining a visa, the issuing of which is the exclusive responsibility of embassies and consulates. Likewise, obtaining a visa for study purposes does not confer any right to perfecting the enrolment in a PhD programme.

Once you have obtained your visa, and within 8 working days of your arrival in Italy, according to Italian law you must apply for a **residence permit**: as soon as you arrive, get in touch with the PhD Office and you will be given the necessary information for starting the procedure.

Once you obtain your residence permit (permesso di soggiorno), you have to hand it in at the Student Office personally or via e-mail.
